

# SOLO LADIES ALL-FEMALE ADVENTURE TO SOUTHERN AFRICA

## RE-IMAGINE SMALL GROUP TRAVEL

---

# WHY “SOLO-LADIES” SMALL-GROUPS

Maybe you never took that gap year.

Maybe the Contiki tour passed you by while you were studying, building a career, raising a family,  
or all of the above.

We've all walked different paths, with stories that shaped who we are.

But now, with a little more life behind us, you might be feeling that quiet nudge...

It's time. Time to do something just for you.

To explore, to connect, to feel free again.

And the idea of visiting somewhere new and exciting is softly whispering to you.

We don't chase after bucket lists or race around ticking off the Big Five.

Instead, we focus on meaningful moments ~ standing in awe of the majestic Table Mountain,  
dipping our toes in the Indian Ocean, and head out on a true African safari.

Sometimes we take the slow road, with space to breathe ~ blending vibrant city life with quiet vineyard  
days and safari moments that feed the soul.

We are inviting you to come on your own or with a friend ~ our Qui Vado Team is here to look after from  
the moment you touch down on South African soil.

## **Demographic**

### Women

For the women have built careers, raised families and kept it all going...

Now it's your time.

You've earned adventure, connection, laughter, and sunsets that stop you in your tracks.

Join a group of like-minded women in their 40s, 50s and 60's on a Southern Africa adventure.

No stress. No schedules. Just you, doing something for you.

# UBUNTU

There is a special word in South Africa - it is Ubuntu.  
"I am because you are"

Because our Solo-Ladies groups are small and exclusive, we can focus on the destination, special treasures and most of all... the people - this is where you will experience the true Africa.

## *Our Journeys*

We take in the gems and introduce you to this amazing country; visiting Cape Town, The Winelands and a fly-in Safari. Think good company, lots of laughter, great food (and wine!), and the freedom to travel solo without feeling alone. Our journeys are a chance to pause, breathe, and take in the world around us. We take care of all the details as our tours are fully inclusive from the moment you touch down with airport transfers to delicious meals, VIP excursions and hand-picked 4\*luxury stays.

### *Cape Town*

A whirlwind visit to the Mother City, sip bubbles on Table Mountain, stroll through the V&A Waterfront, dine out in a city bistro, go road-tripping along the Atlantic seaboard, say hello to the penguins and explore the colourful BoKaap eating koesisters.

### *The Winelands*

We take the country roads and go wine farm hopping by tractor, have a picnic in the vineyards, a dinner party with local ladies and a private Chef. We slow down with meditation classes, Spa sessions and moments for the soul, plus we always make time for afternoon high tea.

### *Safari Fly-In*

Morning safari drives following a herd of elephants, sundowners at the hippo dam, dinners under the stars and drifting off to sleep in your luxury ensuite tent, with the sounds of the bush around you and maybe... a distant roar of a lion. A true Safari really is life-changing.

# SOLO LADIES ADVENTURE TO SOUTH AFRICA

We do keep our "small groups" small. Our numbers are limited to between four to eight travellers and ideally a minimum of four ladies.

With each itinerary, a Qui Vado Hostess is with you as well as specialist guides and drivers being part of the journey. In addition, with some encounters, locals join in the fun - providing a fully immersive experience, whether it be dancing with the Shangaan Tribe, or enjoying a dinner in a private home with a Chef.

Some days are packed with activities, whilst other days are more relaxed and inbetween there is leisure time to breathe out and do what you want to do in your own time.

The accommodation is in luxury Boutique hotels, Manor homes and Safari lodges with the choice of Single occupancy, or you have the option of Twin-share which is offered at a cost effective rate. The length of our tours range from 8 nights to 11 nights, depending on the itinerary.

Our tours are Fully-Inclusive (except on leisure days), and we really do include it all; meals & refreshments throughout the tour, sightseeing, transport and accommodation.

For any dietary requirements, we do try to accommodate.

For our 2025 calendar with tour details and rates, please email us and we will send you the details <[solo@quivado.com](mailto:solo@quivado.com)>

# KNOW MORE...

Hi Lovely Lady

Based in Cape Town and having spent the past 20 years in travel, my team and I are well placed to introduce you to this amazing country.

We are there with you and take away all the unknown factors of visiting a new destination on your own, right from your airport chauffeur, to enjoying local bistro's for dinner with new friends, tips on where to shop and what not to miss.

And, importantly, because we know Southern Africa and are specialists in our field, our itineraries are well-curated with the emphasis on where you sleep at night - whether it is a boutique hotel, manor home or safari lodge - the location needs to be perfect and the rooms must be comfortable and the linen thread count just right.

But of course, this is just one element and we are very much food focussed... A private Chef one night, a popular local eatery another, delicious lunches and scrumptious breakfasts - we take food seriously.

From the time you touch down in South Africa, we are there, with airport transfers, speciality guides and local experiences. Our small group tours are about a lifestyle in a vibrant and cosmopolitan city, vineyard living and the sheer thrill of going on safari in Africa.

We invite you to connect with us, learn a little more about our "Solo Ladies" tours.

You may join as a single, or with a friend and eitherway, that is great, because that is what our "Ladies Only" small group tours are about...

Looking forward to meeting you.

Warm Regards

*Colleen*
